ANEXO 1

Programa de Alivio de Pago COVID-19

Como resultado de la crisis de COVID-19, el gobierno de El Salvador, ha solicitado a las instituciones financieras, a través del ente regulador correspondiente, que otorguen un alivio sobre todos los pagos de la deuda del consumidor, incluidos los pagos de préstamos hipotecarios, hasta el 30 de junio de 2020. Para dar cabida a esta solicitud, los entes reguladores bancarios, han emitido nuevas pautas que permiten a las instituciones financieras otorgar tal plan sin activar los requisitos de reserva que normalmente se requerirían en tales circunstancias.

La Hipotecaria, S.A. de C.V. ("LH") ha cumplido con los requerimientos gubernamentales de conceder el plan de alivio de pagos de todos los préstamos hipotecarios a sus clientes, sin distinguir si dicho cliente es un deudor de un préstamo hipotecario que se mantenga como activo en sus libros, o un deudor ("Deudor") de un préstamo hipotecario que forme parte de una cartera hipotecaria que garantizan transacciones de titularización como esta.

El alivio de pago COVID-19 ("Alivio COVID-19) se otorga bajo las siguientes condiciones: 1) El Alivio COVID-19 solo se otorgará a cada deudor (incluyendo Deudores) que no hayan estado en mora en sus pagos hipotecarios durante más de 90 días a partir de 29 de febrero de 2020; 2) El monto del Alivio COVID-19 se determinará automáticamente calculando los pagos hipotecarios parciales o completos no recibidos por el deudor durante los meses de marzo, abril, mayo y junio de 2020 (el "Período de Alivio") determinado inmediatamente antes del cierre de cada uno de los meses calendarios correspondientes durante el Período de Alivio COVID-19; 3) El Alivio COVID-19 se adelantará individualmente a cada deudor y será aplicada por el sistema de LH de acuerdo con la prioridad individual de pagos del deudor (primero a los honorarios de cobro, luego seguros, después intereses*, y por último capital*).4) La cantidad de Alivio COVID-19 aplicado individualmente a cada deudor se registrará como "cuentas por cobrar" del deudor individual (o, en el caso de los Deudores, como "Cuentas por Cobrar" del fideicomiso respectivo, que se cobrará al Deudor individual), de ese fideicomiso y no directamente del fideicomiso); 5) LH determinará el ritmo eventual del cobro de las cuentas por cobrar a deudores individuales en una fecha futura. Se contempla que tales cobros implicarán un aumento del pago mensual de la hipoteca del deudor durante un período de tiempo particular que amortizará las cuentas por cobrar, con o sin cargo de intereses, y aplicando dicho aumento primero a la amortización de las cuentas por cobrar antes de aplicar el pago mensual restante (y sin modificaciones) a la cuenta individual del deudor.

* En lo que respecta a los Deudores que son prestatarios de las operaciones de titularización, las cantidades correspondientes a intereses y principal que sea asignado por el sistema operativo de LH se adelantarán en efectivo por LH como Administrador y será depositado en la cuenta de Fondos Disponibles del fideicomiso, de acuerdo con sus obligaciones bajo el Contrato de Administración y recolectado individualmente del Deudor, mencionado en el punto 5 anterior.
